

Program Strand: Materials and Processes Technology

Students who choose a career in Materials and Processes Technology find ways to use and improve existing materials including: metals, ceramics and glass, plastics, and other natural and synthetic materials and then come up with new materials or ways to use them. They work in a wide variety of businesses including the: automotive, sports, electrical, energy, microelectronics, aeronautical, aerospace, telecommunications industries.

Secondary Career Academy Development Timetable Academy classes are listed in bold type.

Pre-Academy Grades 6 – 8	Grade 9	Grade 10	Grade 11	Grade 12
	English I	English II	English III	English IV
6 th grade—Middle Moves 7 th grade—Career Preparation Requirement 8 th grade—Transition Tools	Algebra or higher	Geometry or higher	Algebra II or higher	Pre-calculus or Other Mathematics Course
	Earth & Space Science or Biology	Biology or Chemistry	Chemistry or Physics or Physical Science	Science Elective or Other Elective
MJ Wheel 8600022015	World History	Elective	American History	American Government / Economics
Introduction to Technology 860001001	9 th Grade Transition	Foreign Language or Other Elective	Foreign Language or Other Elective	Foreign Language or Other Elective
Exploring Technology 860002012	Materials and Processes Technology 1 860111001	Materials and Processes Technology 2 860112001	Materials and Processes Technology 3 860113001 (H)	Advanced Technology Applications 860190001 (H)
Exploration of Production Technology 860005001	Elective	Elective	Elective	Elective
	Elective	Elective	Elective	Elective

Suggested Electives:

- Students may in their Junior or Senior year opt to participate in the Career Experience Opportunity (CEO) internship program using the following course numbers: Workplace Essentials – 83003101A (Honors .5) and CEO internship – 0500330CE (Honors .5).
- Students may complete more than one program within the Academy of Manufacturing Technology providing courses are offered at the school site.
- In addition, students can choose to enroll in Drafting/Illustrative Design Technology or Materials & Processes classes to enhance their marketability.
